Thomas Offner, Daniela Daume, Lukas Weiss, Thomas Hassenklöver, and Ivan Manzini

In the first published version of this protocol, the units of measure for the scale bars in Figure 1 were millimeters (mm) rather than micrometers (μm) because of unintended changes made by the compositor at the page-proof stage. The publisher apologizes for this error. The units of measure for the scale bars in Figure 1 have been corrected in the current version of the protocol.
