Erratum

Cold Spring Harb Protoc 2019; doi: 10.1101/pdb.prot099234

Erratum: Assessing Antibody Responses to Pathogens or Model Antigens in *Xenopus* by Enzyme-Linked Immunosorbent Assay (ELISA)

Francisco De Jesús Andino¹ and Jacques Robert¹

Department of Microbiology and Immunology, University of Rochester Medical Center, Rochester, New York 14642

In earlier versions of the protocol above, the affiliations and e-mail addresses of the authors were not included because of mistakes at the submission and typesetting stages. The publisher and authors apologize for the omissions. The affiliations and e-mail addresses shown here have been added to the current version of the protocol.
